Re: US Patent Number 6,848,106; Serial No. 09/680,847

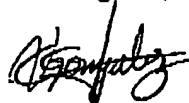

Dear Sirs,

CPI paid the 8<sup>th</sup>-year maintenance fee for the above-mentioned patent on July 25, 2012 at the small entity rate. Our client has advised us that this case qualifies for large entity status (assertion attached) and we are now asking for the difference between large and small entity be applied to the patent.

Please deduct the additional of \$1425 from our Deposit Account No. 03-2641 to ensure payment of the 8<sup>th</sup>-year fee at the large entity rate. Also, please update the Patent Office website to reflect that the 8<sup>th</sup>-year fee was paid at the large entity rate.

Thank you for your assistance in this matter.

Best Regards,

Vilma Gonzalez
